

I remember the way it felt
bashing those kooky imps--

HOLY
SMOKES!

SPLORK

As I lunged at
them, I thought
I'd be horrified.

To be honest...

It felt like
nothing.

AH, JEEZ
LOUISE...

Like
they
weren't
real.

PIP

Like doing
dishes.

SHLUK

DIDN'T SEE
THAT COMIN',
DIDSA?

And after running
for so long--

Kicking their
butts felt
just dandy.

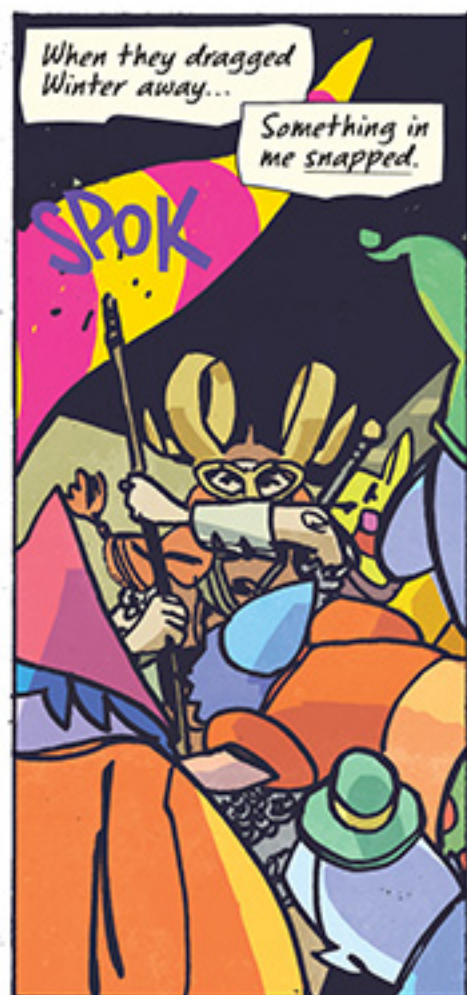

KRAK

No fear.

BOP

No hesitation.

Like I was
born to do it.

When they dragged Winter away...

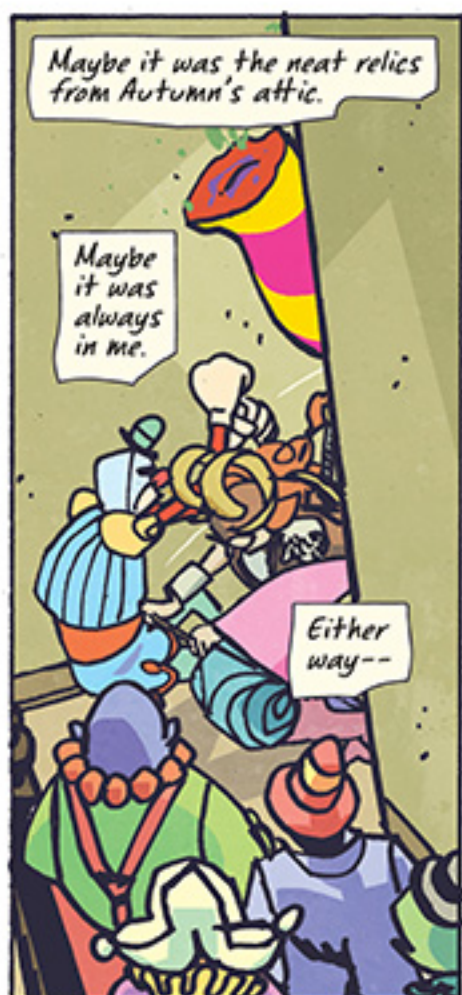

Something in me snapped.

Found a new gear.

Angry and mean.

And I really liked it.

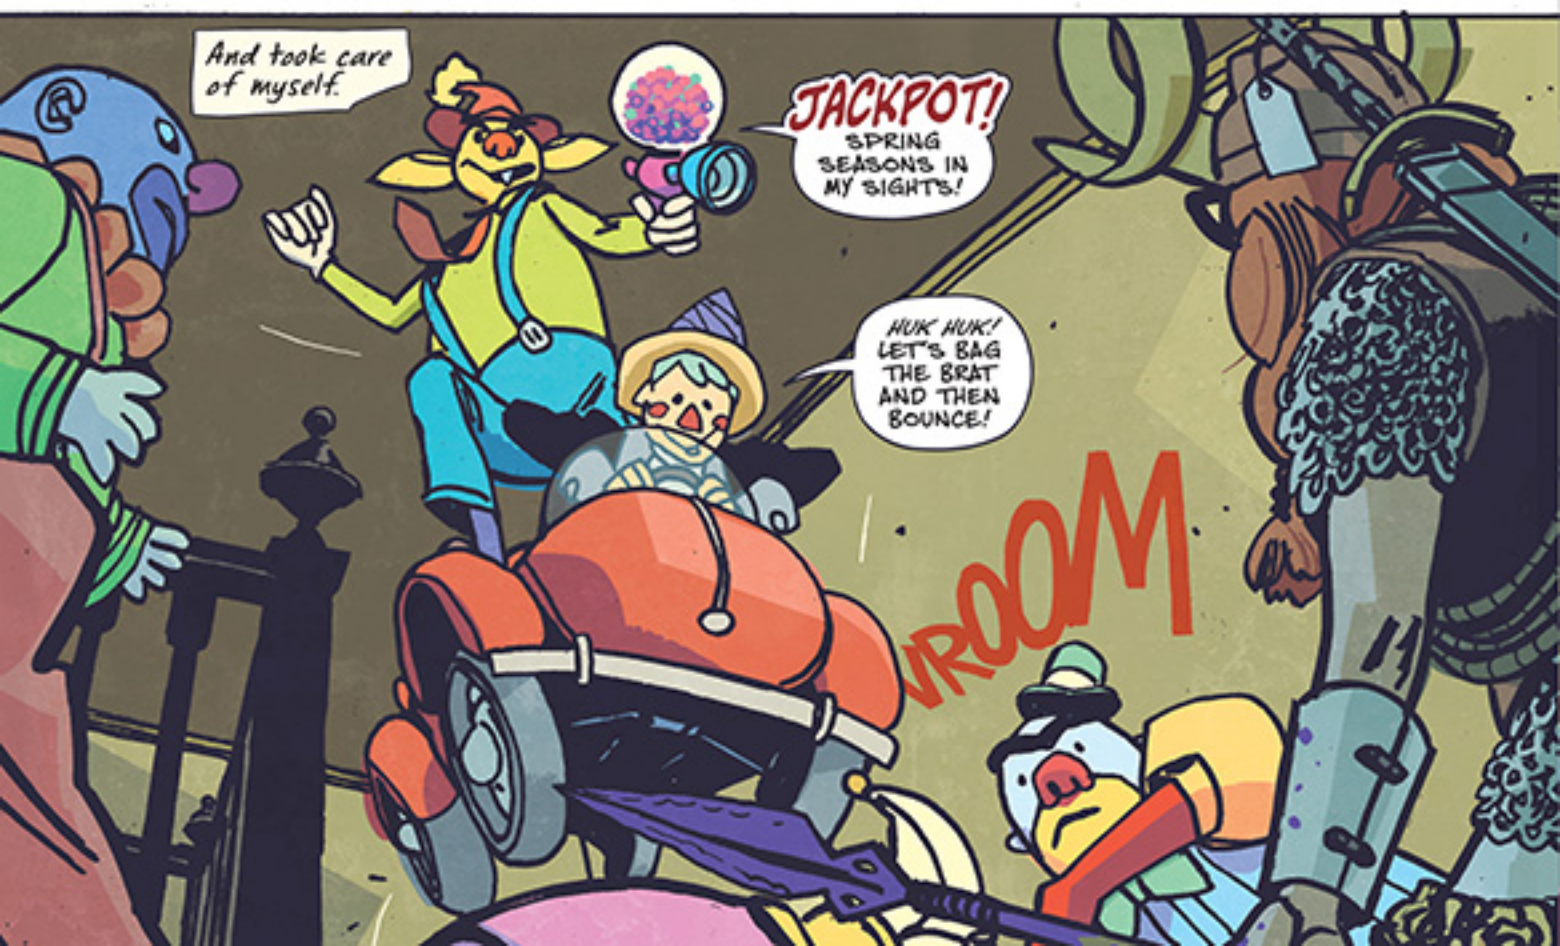

Maybe it was the neat relics from Autumn's attic.

Maybe it was always in me.

Either way--

I stopped waiting to be saved...

And took care of myself.

JACKPOT!
SPRING SEASONS IN MY SIGHTS!

HUK HUK!
LET'S BAG THE BRAT AND THEN BOUNCE!

WROOM

I was built to knock
their stupid teeth in.

APPLESAUCE~!
