## THE APARTMENT OF LISA BUZIO.

My twelve victims shall be guilty to a man.

Murderers of the innocent. No exceptions, no reasons, no abuse, no revenge.

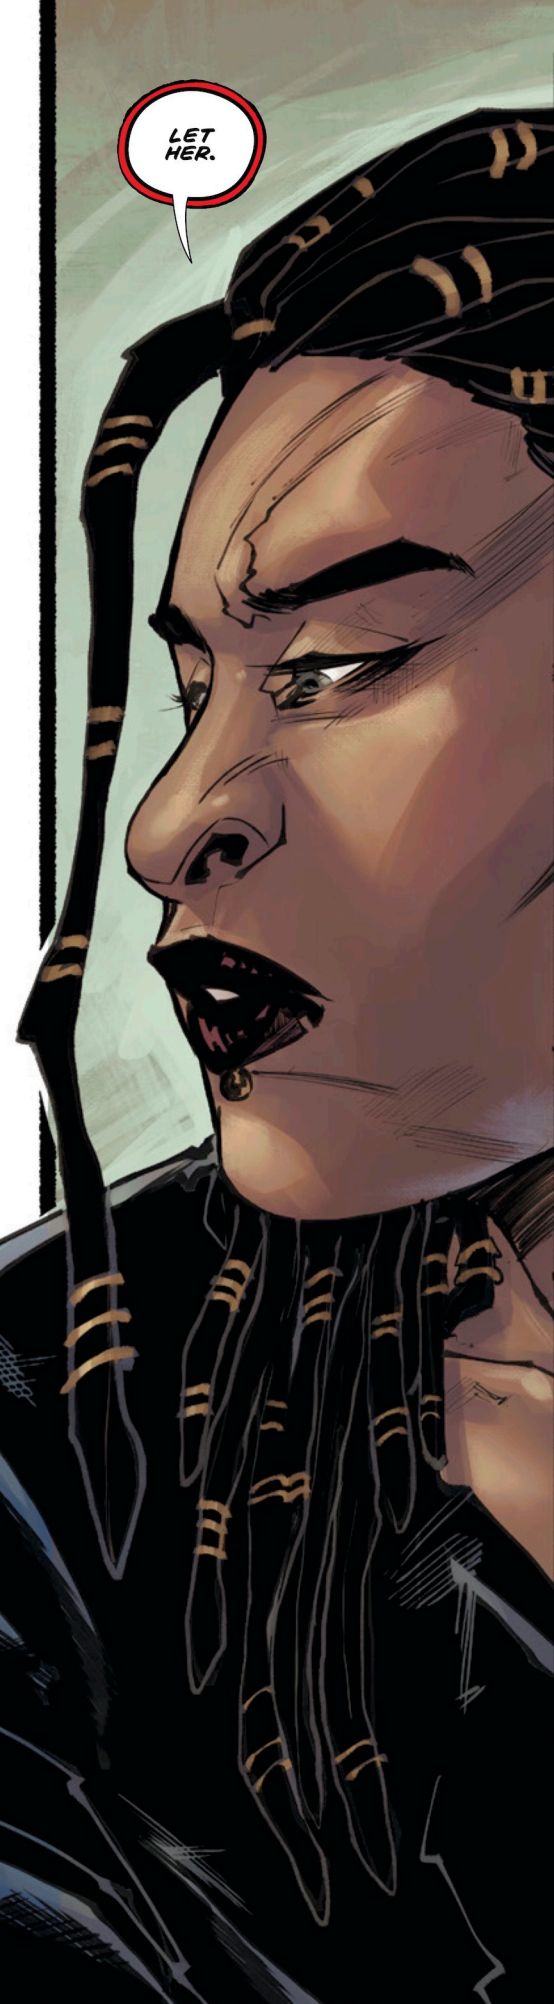

Murderers of needy children. Murderers of inconvenient spouses. Murderers of elderly parents who sat on inheritances and refused to die.

The city will not howl if I execute these men.

But you wish to stop me?

Then come and stop me.

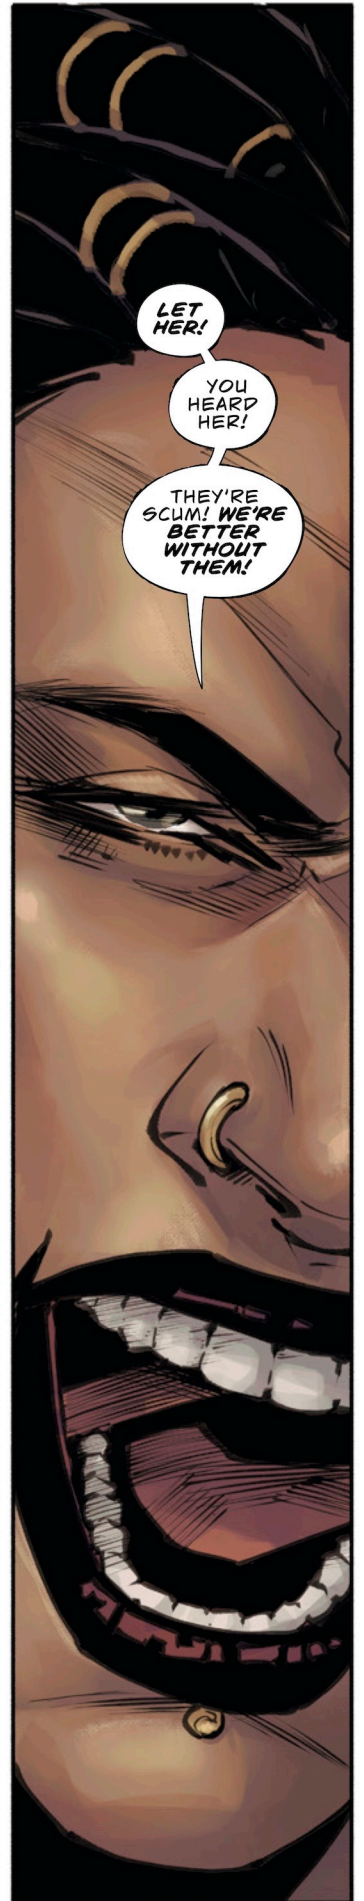

LET  
HER.

WHAT?!

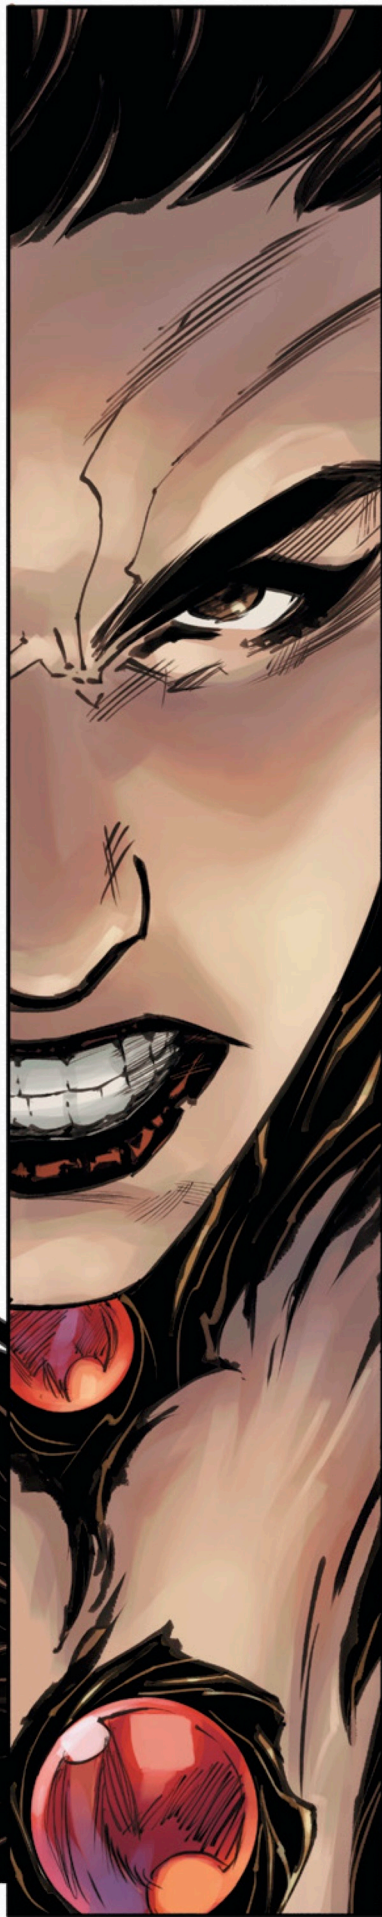

LET  
HER!

YOU  
HEARD  
HER!

THEY'RE  
SCUM! WE'RE  
BETTER  
WITHOUT  
THEM!
