THE REALM OF FIVE, DIE.

I feel real
Molly when they
were alive.

Sweet
kid.

Fuck
you!

You've
changed.

SHE'S
LISTENING
YOU.

SHE THINKS
YOU'RE A PSYCHO.

I...don't
think you're
a psycho.

I--

I don't see
anything.

Molly does.

SSSSKK

Feuding asshole!!

Two things which touched us on my recalled my heart. So...

Who are they?

They're... like people I know.

You decapitated them without blinking.

They started it.

TOLD YOU SHE WAS LUDING.

Angela always worried about Molly falling in with a bad crowd.

I don't think she was talking without slips.
